Alyssa Salisbury - Sales Director
Kay G. Lee - Resident Program Director
Frank West - Dietary Director
Justin Payne - Maintenance Director
Savanna Byrd - Resident Care Coordinator
Jenna Fatula - Resident Care Coordinator

FROM THE DESK OF . . .

Dear Residents, Families, and Friends,
I want to wish you all a Happy New Year!
As we celebrate the New Year, it is out with the old and in with the new! I hope everyone has a wonderful start to the New Year and it brings new and exciting things. I would like to express our sincerest gratitude to everyone that generously donated to the employee appreciation fund. So many gifts and greetings came through our front door. Thank you to all who gave in any way to our residents and staff.
We are so excited to see what the year 2025 brings for each of us! Be on the lookout for some exciting things we have in store for the community!!
Thank you for making LWALF your home. We love and care about every one of you – it wouldn't be the same without you. My wish for all of us is good health, great happiness, and lots of fun and laughs in 2025.
From all of us at LWALF, Happy New Year!!
Janice Eagles
Executive Director

Winter Wonders

It's winter here in the Northern Hemisphere, bringing cooler temperatures. Keep warm with this bundle of cold-weather facts:

- While it may not snow in every city, about 1,200 cubic miles of the fluffy stuff falls on North America every year.
- The Great Lakes region is known as the snow belt of the U.S.
- Fairbanks, Alaska, gets the title of America's coldest city in winter. Its average low temperature is a frosty 16 below zero.
- A classic seasonal activity for kids, making paper snowflakes is an example of the art of paper cutting, which is practiced in many cultures.
- Residents of Bethel, Maine, built a record-breaking snowperson in 2008. Named Olympia, she stood 122 feet high—almost as tall as the Statue of Liberty—and was made of 13 million pounds of snow!
- Some animals sport white coats or feathers in winter to match their snowy surroundings. Arctic foxes, snowshoe hares and the bird known as the ptarmigan are examples.
- You don't have to wait for spring to see beautiful blossoms. Pansies, snowdrops and English primroses are some common flowers that bloom during the chilly months.
- The North and South Poles are known for their extreme temperatures. Do you know which one is colder? It's the South Pole, since it sits on the continent of Antarctica. The North Pole has no land and consists only of thick sea ice, so it absorbs more heat by floating on top of the water.

JANUARY 2025

A New Year's Toast

To love, laughter and a happily ever after.

January Employee of the Month

We would like to announce Dina Alvarenga as the Employee of the Month for January. Dina is one of our cooks

whose consistent dedication to providing great meals and attention to our resident dietary needs truly makes a difference. Dina has been a cook at Lake Wylie for one and a half years. Dina's favorite thing about working at Lake Wylie is the residents and always making sure they are happy and are enjoying their meals. When she is not at work, she enjoys spending time with her two fur babies, her dog Buddy and cat Tiger. Dina's hobbies are hiking, running, or spending time gardening in her flower gardens. Congratulations, and thank you for being a part of the team!

Be Thankful

Start your year off with kindness and appreciation—January is National Thank You Month. Often people are critical instead of thankful, and an honest "thank you" can mean the world to someone. This month, focus on expressing gratitude and doing nice deeds for others.
