A Note From Our Director

Can you believe we are starting the month of August? Children are on their way to classes, parents' cars lining up to drop off students, and we see the summer season winding down. We will be having fun reminiscing about our school days, and other outings and events this month. Please be sure to check your Activity Calendar as well as our daily flyers to see what exciting outings and events are scheduled!

We are gearing up for our annual Lake Wylie Trunk or Treat on October 29, 2024. If you would like to donate candy, please bring it to the Concierge desk. This year's theme is Disney at Lake Wylie.

Please save the date and more information to come. Looking forward to seeing you there.

Laugh Lines: Feeling the Heat

"The month of August had turned into a griddle where the days just lay there and sizzled." —Sue Monk Kidd

"What dreadful hot weather we have! It keeps one in a continual state of inelegance." —Jane Austen

"Forget about frying an egg on the sidewalk; this kind of heat would fry an egg inside the chicken." —Rachel Caine

"Iced coffee, on a hot day, can perform miracles." —Lish McBride

"You can pour melted ice cream on regular ice cream. It's like a sauce!" —Chris Pratt

"Nothing makes me so excessively peevisish as hot weather." —Jonathan Swift

Q: What do bees say during a heat wave?

A: Wow, it's swarm!

Q: What do you call a librarian with a sunburn?

A: Well red.

Q: What's the worst tea to drink in summertime?

A: Humidity!

My roommate keeps turning off the air conditioning. Not cool!

It was so hot during my trip to Paris that I jumped in the river. My friends said I was in Seine!

I didn't get hired at the sunscreen factory, but after two hours, they told me I should reapply.

If you ever want to talk about why our air conditioning bill is so high, my door is always open.

Fun in the Sun Wreath

Add a summery splash of color to your home with this easy project.

Materials:

- 10-inch foam wreath form
- Paper drink umbrellas (at least 50)

Directions:

Place the wreath form on your work surface. Open an umbrella and stick the toothpick end into the wreath. Continue placing umbrellas all over the surface of the wreath form. Fill in gaps by only partially opening some umbrellas and by varying how deep you insert the toothpicks. You can also use different sizes of umbrellas, which can be found at party and craft stores. When the wreath is fully covered, hang the wreath on your door, wall or window.

*"It's never too late in life to have a genuine adventure."
—Robert Kurson*

A Summer Adventure

It's the time of year when children begin going back to school, and families often enjoy one last big adventure before the summer comes to an end. It's perfect, then, that August is American Adventures Month. Use these questions to reminisce on your summer amusements.

- When you were growing up, did your family ever take summer vacations? If so, what was your favorite trip?
- Which did you enjoy more: indoor activities, like museums and shopping, or outdoor activities, like hiking and swimming?
- In the moment, vacation mishaps can be scary, but looking back on them can create lots of laughs. Do you have any stories like this to share?
- A popular summer activity is going to amusement parks. Did you visit any? What were your favorite rides and/or games? Did you travel to the park, or did a traveling carnival come to your town?
- Did you take summer vacations as an adult? What was different about being in charge of planning the trip? Did you change up the itinerary?
- Would you prefer to go on an adventure to the ocean, the mountains or the plains of America?
- Have you ever traveled outside of the United States? If so, where was your favorite place and how did it differ from the community you were used to?
- What is your dream vacation or adventure?
