### A Note From Our Executive Director . . .

Hello Everyone!

September promises to be another great month at our community. Fall will be here soon, bringing cooler temperatures and the rich colors of falling leaves. We are celebrating Assisted Living week with special music from Brian McCarn, September 10th, 3pm-4pm. Please stop in and enjoy the fun.

We are collecting candy for our annual Trunk or Treat on October 29, 2024. If you would like to donate candy, please drop it off at the Concierge desk.

Have a great September!

Sincerely  
Jacki Picard, ED

### Connecting With Grandkids

Grandparents Day, the first Sunday after Labor Day, celebrates the relationship between generations. Whether your loved ones live near or far, there are a variety of ways to connect with them and create lasting memories.

Maintaining regular contact is the key to developing enduring bonds. This could mean making weekly visits or phone calls, or sending “just because” cards by mail. With technology such as email, text messaging, video calls and social media websites, it’s even easier to stay in touch.

People of all ages enjoy hearing stories from their older relatives. Retailers offer grandparent journals, which contain prompts to help you write about your life experiences. Your loved ones will treasure reading about those memories now and for years to come. Creating these keepsakes can be a fun hobby and help you feel closer to your family, even when you’re apart.

You’ve probably heard the saying “They may forget what you said, but they will never forget how you made them feel.” What grandchildren will value most from you is love and support. Showing interest in their lives, offering a listening ear, and saying “I love you” are all simple yet shining ways of being a great grandparent.
