**St. Nicholas Day**

Christmas comes early for many people around the world with the celebration of St. Nicholas Day on Dec. 6. A third-century bishop who was especially generous toward children and the poor, St. Nicholas is known today as the original Santa Claus and the patron saint of children, sailors and several countries. In many European countries, Dec. 5 is treated like Christmas Eve: Children leave out empty shoes or stockings, as well as carrots and hay for St. Nicholas' horse (or a donkey in some cultures). In return, the saint leaves small gifts, fruit, nuts, candies and cookies.

## December Employee of the Month

We would like to announce **Kat Thomas** as the Employee of the Month for December. Kat is one of our concierges whose attentiveness shines through in everything she does, whether it's answering the phones, double-checking details in reports or offering a helping hand with our residents or family members. Kat, you always take pride in your work, and we appreciate all you do. Congratulations, and thank you for being a part of the team!

## Memorable Melody: 'Frosty the Snowman'

"With a corn cob pipe and a button nose and his eyes made out of coal," a jolly, happy snowman named Frosty came to life for millions of kids in 1950 in the lyrics of this holiday song. Beloved actor and "Singing Cowboy" Gene Autry recorded the tune as a follow-up to his hit "Rudolph the Red-Nosed Reindeer." An animated TV special based on the song first aired in 1969, and has become a timeless holiday classic.

## Bringing Good Cheer

"I shall try to make my life like an open fireplace, so that people may be warmed and cheered by it and so go out themselves to warm and cheer." —George Matthew Adams
